If you pay your rate account in full it must be received by the due date 31st August.

- **Arrangements**

Can be made with Council if normal instalment payment/s cannot be met.

INTEREST CHARGES

Interest accrues on all rates and charges that are overdue and is calculated on a daily basis at the rate shown overleaf. Under certain circumstances Council may consider writing off accrued interest in line with Council's Financial Hardship Policy.

Eligible pensions may receive a rebate on rates and charges. A pro-rata rebate may apply should eligibility be granted after issue of this notice. Should eligibility cease for any reason, a writeback of all or part of any rebate may occur. Rebate forms are available on request.

RATEABLE VALUE

The land values assigned for rating purposes were supplied under legislation by the Valuer General's Department of whom objections must be made at the time of issue of that notice. Whether or not an objection is still pending, the rates levied must be paid when due.

NON-RATEABLE CLAIMS

A property may be non-rateable if it belongs to and is used in relation to the activities carried out by churches, schools, public hospitals and charities.

APPEALS

Appeals against rates levied must be made within 30 days of the date of service of this notice. Appeals may be made on the basis that the land is not rateable or is not rateable to a particular rating category.
